The single most untapped competitive advantage is teamwork.

To gain this advantage, teams must:

- ▶ Trust one another
- ▶ Engage in **Conflict** around ideas
- ▶ Commit to decisions
- ▶ Hold one another **Accountable**
- ▶ Focus on achieving collective **Results**

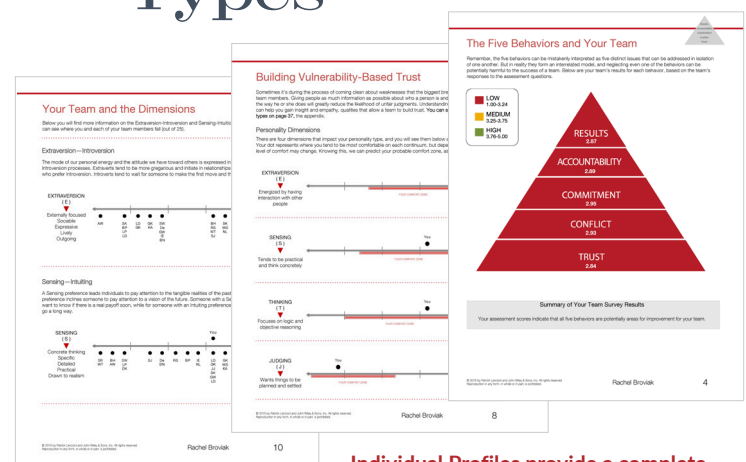

What does this program do?

This program helps improve team effectiveness and productivity in organizations that apply tools based on Carl Jung's theory of psychological types, like the MBTI® instrument¹, as their preferred indicator of behaviors and personality.

Teams will examine how they score on the key components of **Trust**, **Conflict**, **Commitment**, **Accountability**, and **Results**, as well as understand how each team member's unique personality style brings value to the team's overall success.

A productive, high-functioning team:

- ▶ Makes better, faster decisions
- ▶ Taps into the skills and opinions of all members
- ▶ Avoids wasting time and energy on politics, confusion and destructive conflict
- ▶ Avoids wasting time talking about the wrong issues and revisiting the same topics over and over again because of a lack of buy-in
- ▶ Creates a competitive advantage
- ▶ Is more fun to be on!

Individual Profiles provide a complete picture for the individual and the team.

The program includes:

- ▶ Assessment: 3 sets of questions address the individual's personality, the team behaviors, and team culture
- ▶ Individual Profiles, Team Progress Reports, and one-on-one Comparison Reports
- ▶ Participant handouts, take-away cards and activities
